On all exteriors you have three paint/stain areas:

THE BASE (the main body color)

THE ACCENT (sometimes an insert between the columns or in a clerestory, sometimes the rows of lap at the bottom) - you have to specify what you want to accent.

THE TRIM (the eaves, the trim around the windows and doors, and the trim board above the lap accent, if applicable) - you have to specify what you want to be trimmed in the trim color.

If you have a porch, then you have to choose:

THE TYPE OF PORCH GABLE (open, closed, or crows foot) - Picture #19 shows the basic porch gable.

Picture #10 has a crows foot gable. Picture #11 has a closed gable. Picture #5 has an open gable. Picture #18 has a closed gable with crows foot accent.

THE STYLE OF COLUMNS (standard, craftsman, etc)

Pictures #5, #10 and #11 are standard columns. Pictures #13 and #14 are craftsman style columns.

THE PORCH OPENING(S) - you have to mark the location of the openings

THE TYPE OF MATERIAL USED ON THE PORCH RAILING (white vinyl, stained plywood, painted plywood, etc)

Mahogany Stain (on left) and **Cedar Stain** (on right)
Shingled Roof (on left) and **Galvalume Metal Roof** (on right)
